

Introduction of CTA-10X and CAT-11

Proposed Textual AIP Amendments

London Southend Airport

AD2.22 Flight Procedures

1 Procedures for IFR Flights

- a) IFR arrivals Airways Para iv (would be removed as this is about aircraft leaving CAS prior to GEGMU)

The Note below it about levels below 5500ft GEGMU is located outside CAS to be removed

3. GEGMU holding to be added.

8. FMC area to be revised.
